

Networking Drinks Sponsor Package

The SPRINT Robotics World Conference for Inspection & Maintenance Robotics is the premier place to network with leading decision makers across the entire supply chain of robotics solutions. From asset owners to robotic inspection service providers and data analytics and software providers, delegates from around the world will be in Amsterdam at the end of September to share insights on the latest robotic and data analytics technologies.

The perfect mix of business and leisure, the Networking Drinks event will take place at Strandzuid on Monday evening, September 26th. A unique city beach, Strandzuid is located behind RAI Amsterdam. Brand exposure is central to the Networking Drinks Sponsor Package. Your company logo will be present at the event, on social media and all our online collaterals. You will also receive two passes to the Exhibition on September 27 & 28, as well as two vouchers for the Conference Banquet dinner.

Don't miss this opportunity to network with thought leaders, influencers, and industry trailblazers!
