

ASIA-PACIFIC SUMMIT SINGAPORE 2023

FOR INSPECTION & MAINTENANCE ROBOTICS

CALL FOR ABSTRACTS

Submit your abstract to speak at the [SPRINT Robotics Asia-Pacific Summit 2023](#), a key event for Inspection, Maintenance & Cleaning robotics professionals. We are welcoming abstracts about use cases or new technologies for robotics for Inspection & Maintenance in capital-intensive industries.

The SPRINT Robotics Asia-Pacific Summit will take place at the end of March 2023 in Singapore. The event features a dynamic program of technical presentations, an exposition, demonstration day and dedicated networking events.

KEY DEADLINES

October 28, 2022 – Call for abstracts OPEN
 December 05, 2022 – Call for abstracts CLOSES

FOR INSPECTION & MAINTENANCE ROBOTICS

SPEAKER BENEFITS

Speaking at the SPRINT Robotics Asia-Pacific Summit 2023 gives you the unique opportunity to share your knowledge and communicate your vision. You will gain positive exposure as well as networking opportunities with the Inspection and Maintenance robotics community.

If your abstract is selected, you may obtain a special Speaker Conference Pass for US\$275, which grants you:

- Access to all summit sessions
- Access to the exhibition area
- Dissemination of your presentation after the conference (optional)
- Support from the speaker management team
- Free coffee, tea and lunches during the two-day summit, as part of the Delegate Package
- Free entrance to the SPRINT Robotics Networking Dinner

SUBMISSION PROCEDURE

If you would like to present at the Asia-Pacific Summit, start here by submitting your abstract to events@sprintrobotics.org, with the email title CALL FOR ABSTRACTS - ASIA-PACIFIC SUMMIT

Please provide us with:

a presentation
title

a short abstract
(max 250 words)
